

Louisiana Fire Department Directory

Office of the Louisiana State Fire Marshal
8181 Independence Boulevard
Baton Rouge, Louisiana 70806

Last Update – June 27, 2008

Dear Friend of the Fire Service:

This twelfth edition of the Louisiana Directory of Fire Service Organizations is the first full update of this document since 1996. For years, this has been one of the most popular and useful tools in the fire service, and as State Fire Marshal, I have continued to ensure it is published and distribute.

As in earlier editions, all known fire departments in the state that submit fire reports to this office are listed, as well as fire prevention bureaus and fire service organizations.

I hope that this publication will be of benefit to you in contacting the fire service of this state.

As always, if there is anything that my office can do to assist you in contacting the fire service of this state please do not hesitate to call.

Sincerely,

**H. “Butch” Browning
State Fire Marshal**

***NOTE: We apologize for any discrepancies; however, the information included in this directory is as accurate as the information provided us.**

BB/nlm

Forward

The information in the first section of this publication is listed in numerical order by Fire Department Identification Number (FDID) by parish with Acadia Parish first and Winn Parish last. Within each parish listing are all the fire departments located in that parish. Please note that each department has a five-digit identification number, which was assigned to them, by this office.

Besides the basic information about the fire department, such as its name and address, this publication also includes the insurance rating. These ratings are listed as AIRC-in Rating@ for the insurance rating within the municipal limits served by the department and AIRC-out Rating@ for the service area outside corporate limits.

Other information included is the population protected that is the number of people the fire department actually services, and the number of paid and volunteer fire fighters on that department.

NOTE: * behind department name means that department has a Fire Prevention Bureau.
